## Attendance

A member who misses three consecutive meetings of the Angle Midwest component shall automatically lose his or her membership. To fulfill the requirements of attendance at a meeting, an Active Member must attend at least one business meeting at the annual meeting. An Active Member who does not attend at least one business meeting of the Angle Midwest component shall lose one point in addition to the loss of one point for non-participation in the scientific program. Attendance at the biennial meeting of the national Angle Society does not fulfill any requirements for attendance at the Angle Midwest component meeting.

The following shows the year elected to Active or At-Large Membership, the record of attendance (\*\*), and number of points currently credited at the end of the 2010 meeting.

## NOTES

## NOTES

*In studying a case of malocclusion  
give no thought to methods of treatment  
or appliances until the case shall have been  
classified and all peculiarities and variations  
from the normal in type, occlusion, and facial lines  
have been thoroughly comprehended.  
Then the requirements and proper plan  
of treatment becomes apparent.*
