Component Representative

Dr. Ron Snyder
14065 Essex Avenue
Apple Valley, MN 55124

Past-President

Dr. Gary Wolf
204 South Main Street
Milan, OH 44846

In just over 6 months we will be gathering for our 2018 Annual Session in Scottsdale, Arizona. Our meeting will be held at the Omni Scottsdale Montilucia, February 2-7. This letter is the official call for papers for the scientific sessions. If you have a paper, case presentation, table clinic, or mini paper for consideration, please complete the Abstract Submission Form available to download from our website, www.anglemidwest.org. Click the "Forms" button located in the lower middle portion of the home page. Once you have completed the form, please e-mail the document to program@anglemidwest.org. You will be notified regarding the status of your request. Preference will be given to affiliates who are presenting papers for membership. This is potentially a large group and the program may fill quickly. *If your abstract is accepted, please note we plan to utilize the 16x9 slide/screen format for all presentations.*

Each major paper will have a discussor. I encourage those not presenting a paper to consider being a discussor. This is a great way to earn a point for regular members. Your point status can be found on the website under the Member-Committees section. Please note that discussions are strictly limited to 10 minutes.

There is also a need for members to serve as "Chair of the Day". The "Chair of the Day" is responsible for introducing the day's speakers/discussors, providing a brief speaker/discussor bio, and making sure the meeting stays on time. The "Chair" is vital to insure the sessions go as planned. Please volunteer for this important position.

The Angle Midwest is known for our strong scientific presentations. I look forward to working with all our members as we continue our standard of excellence.

Thank you for participating in the 2018 meeting. See you in Scottsdale!

Sincerely,

Mike Williams
2018 Program Chair
