

Dear fellow members, affiliates and candidates,

As part of President Jim Hartsfield's Planning Team for the upcoming meeting of the Midwest Component of the EHASO (February 1st – 6th, 2019), I am planning a golf outing. Having spoken with several golfers in the society, it seems the best option for the members who like to golf is to simply secure a number of T-times at a local course on a given day and secure the rental of a set of clubs for those who want to play, but not bring their own.

That being the case, **if you are interested in playing golf at the upcoming Midwest Angle Meeting, please respond by email before October 31st at gtklue1@email.uky.edu and answer the following questions:**

1. Do you want to play golf with the group one afternoon?
2. If so, do you need to rent clubs?

Once I have received everyone's responses, I will put together a list of courses in the area and survey the group for a preferred course. If I don't hear from you by October 31st, I will assume you are not interested in playing.

Thanks, Tom
