Dear Angle Midwest Members, Affiliates, and Candidates,

The one and only time that Angle Midwest has not hosted a meeting was in 1956. With the benefit of technology, our 2021 Angle Midwest Component meeting will be virtual and abbreviated. Our Program will include two papers for Admissions to the Component, as well as two papers from Members. Admissions and Study Committees are meeting separately with Candidates and Affiliates. **Please register for the January 30, 2021 Midwest Component Program and Business Meeting using this link: <https://forms.gle/zoj2pZv5Td98zbqp6>.**

The 2021 meeting will occur via Zoom from 8:00am until 11:15 am Eastern Standard Time on January 30, 2021. The week before the meeting, you will receive a Zoom link to provide access to the meeting. In addition, if you are unable to attend, the meeting will be recorded and uploaded to our website for 30 days following the event. A password will be necessary to view the Program and will be provided in a future communication.

Immediately following the Program, we will have the Annual Business meeting for Active, Members-at-Large, and Senior Active members. This will continue on the same Zoom link as the Program. Important updates from the Admissions and Study Committees will be shared, as well as the slate of new Officers and Committee members, and other Component business.

We strongly encourage participation on January 30th, but understand the limitations. With this in mind, for the 2021 meeting only, there will be no point deductions.

While there are no registration fees, we do expect all Active, Member-at-Large, Senior Active, and Affiliate members to pay \$110 annual dues to the Midwest Component for 2021.

Looking forward to the 2021 Midwest Component Meeting,

Dr. Libby Graham
Secretary-Treasurer
